

# Twinkle House Spring Newsletter 2022

To all our fantastic Service users, social media followers, friends, volunteers, colleague's, donors and fundraisers welcome to our first Newsletter of 2022.

Our big news that we want to share with you is that we are so happy to be able to announce that we have been fortunate to be awarded £240,460 of National Lottery funding over the next 3 years. It has been a tough few years for us all and we are so grateful to National Lottery players and the National Lottery. This grant means that we can build our capacity to become a sustainable source of support and creativity to everyone visiting Twinkle House. Our hope is that this funding will help us to take us to a place where we can be financially stable in the coming 3 years and beyond. This will make such a big difference to people's lives."

This new National Lottery funding will ensure that we keep moving forward by being able to provide a safe space for people with and without additional needs. However, we do recognise that Twinkle House is a unique space and place to give special welcome and attention to those with additional needs and in the coming weeks we will be sharing, our many plans that we hope to begin as part of our Wellbeing Programme. Offering a range of groups, courses and classes across the age ranges from children to parents to those with experiencing long-term pain and mental health concerns.

Get in touch with us if you have any ideas that you would love to explore with us as part of our Wellbeing Programme offer – we would love to hear from you. Look out for our updates

We will be recruiting for a brand new role of Teams Leader soon so keep a look out for that position being advertised in the coming weeks.

Make sure you do not miss our next Parents and Carers Coffee Morning 27th April – It is always the last Wednesday of every month – contact Belinda on [wellbeing@twinklehouse.co.uk](mailto:wellbeing@twinklehouse.co.uk) to book a space

## Spring Newsletter 2022

In recent weeks, we have received three very kind donations. We would like to say a very big thank you. All a lovely surprise and most welcome. Thank you to David Tiffin and Paul Jones from S.C.A/Essity UK Ltd, based in Pimbo who raised £300 for us. Chris from H & S Lets popped in with a cheque a few weeks ago for £380 and Paul and Louise Smith representing Arthur Stanley Lodge, Ormskirk and Bootle Group brought us a lovely donation of £585. All three of these brilliant donations were done without us knowing and we cannot thank these companies and organisations and all our lovely donors enough for your ongoing support for us here at Twinkle House.
